Dear WM partners in mission,

We are grateful for your involvement in the mission of and to our churches in North America. Your grant of \$4700 this past year has enabled us to fund the following projects:

1. Ellen Geraghty was invited to be one of our two main speakers at YC'09, our National Youth Convention in Estes Park, CO. The grant monies funded her honorarium of \$1050 as well as \$350 for lodging, meals, and other expenses.
2. The grant also funded Liv Ronnevik, one of our YC'09 seminar speakers, with \$300 for her honorarium, \$250 for travel, and \$250 for lodging and meals.
3. We also worked with the Eastern District to fund Mission Impact 2008, a youth mission project in Florida, Ohio, and New York churches. Funding included \$2500 for Liz Christenson's administration and training work, expenses beyond what was raised by the youth who participated.

Thank you for your partnership in these ministries. May God bless you in return.

With gratitude,

Joel Nordtvedt,
