

# 2011-2012 Women's Ministries FOCUS Project: Our Pastors' Wives

**Pastors' Wives Regional Retreats:  
\$7000**

These retreats will be held to encourage and refresh pastors' wives in each of five regions.

A "retreat in a box" will be available to each region's planning representative, who will adapt it for location and attendees.

The funds will be distributed with sensitivity to each of the regions depending on the number of pastors' wives who participate.

See our website [www.wmclb.com](http://www.wmclb.com) for monthly ideas.
